elegance

DECORATIVE HARDWOOD PLYWOOD WITH EUROPEAN POPLAR CORE

Wide range of decorative hardwood faces in natural wood from North America is ideal for furniture and decoration. Hardwood veneer grades in accordance with American National Standards Institute (ANSI/HPVA HP-1-2009).

Elegance panels are made of premium single-piece core veneers from European sustainable poplar farms that provide extraordinarily lightweight panels making them easy to machine, virtually void-free with no telegraphing, exceptional bond quality, flatness, stability and machining properties.

Premium-quality poplar core from tree farms:

Ultrasmooth cross bands
Virtually void-free
Single piece veneers

Face & back:

Birch, maple, walnut, white oak, red oak, cherry, red oak

Available with a UV finish on one or both faces, highlighting the beauty of the natural wood grain while increasing surface hardness.
