

elegance

DECORATIVE PLYWOOD WITH EUROPEAN POPLAR CORE

*Beauty that challenges
the ordinary*

Lightweight

Thanks to its poplar core from European tree farms.

High quality and beautiful surface

Decorative finish in natural wood.

Great stability, uniformity and flatness

Due to the use of selected poplar clones in the core.

Easy-to-machine

Incredibly easy to cut and sand.

Sustainability

Wood from certified fast-growing European tree farms.

UV Finish

One or two sides available.

elegance

DECORATIVE PLYWOOD WITH EUROPEAN POPLAR CORE

Lightweight panel with European poplar core and decorative wood faces. Ideal for furniture manufacturing and decoration projects given its beauty.

The Elegance range is made of premium single piece core veneers from European sustainable poplar farms. These panels are extraordinarily light and easy to machine, with exceptional bond quality, stability, flatness and virtually void-free.

Premium-quality poplar core:

Ultrasmooth cross bands
Virtually void-free Single piece veneers

Decorative natural veneers:

birch, maple or eucalyptus globulus

Available with a UV finish on one or two sides, which highlights the beauty of the natural wood grain while increasing surface hardness.
